

17:00-08:30 EXPO TEL AVIV | PAVILION 10

AUS&R 2022

UNMANNED SYSTEMS, ROBOTICS AND SMART MOBILITY

AMONG THE SPEAKERS

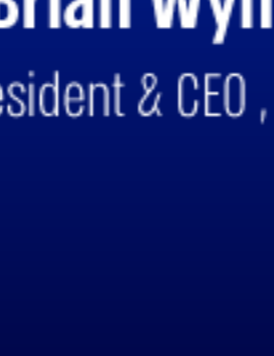

Conference chairman - Colonel (res.) Ofer Haruvi

An expert in remotely manned systems for over 30 years.

Boaz Levy
CEO,
Israel Aerospace Industries

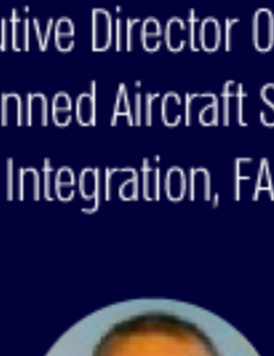

Brian Wynne
President & CEO, AUVSI

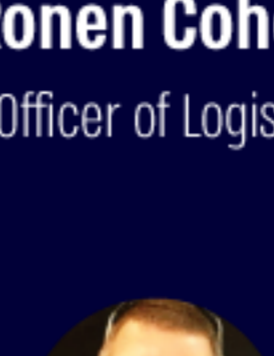

Merav Michaeli
Minister of Transport

Michael Armon
President, AUVSI Israel
CEO Restartup

Jay Merkle
Executive Director Office of
Unmanned Aircraft Systems
Integration, FAA

Brigadier-General Ronen Cohen
Head Officer of Logistics, IDF

Eilam Sagi
Deputy CEO,
Ministry of Transport

Tal Inbar
Senior Research Fellow, Missile
Defense Advocacy Alliance,
MDAA

Yossi Cohen
CTO, DSP-IP AI

Ami Weisz
Manager, R&D and Flight Testing
Department Airworthiness
Division CAA of Israel

Avner Flor
Senior Deputy General
Manager for Transport

Libby Bahat
Head, Aerial Infrastructure
Department - Civil Aviation
Authority of Israel

Zvica Goltzman
Acting VP Growth Division,
Israel Innovation Authority

Michael Allouche
Independent UAS Airworthiness
Expert Consultant

Benny Kedar
CAA of Israel

Zohar Golan
CTO / R&D manager - Robotic
and Autonomous Ground
Systems, IAI

Eden Avraham Attias
Funding GP
OpImpact VC

David Cunningham
Commercial Director at ixblue

Eyal Bilia
Head of Technologies, and
Innovation Division,
Ayalon Highways

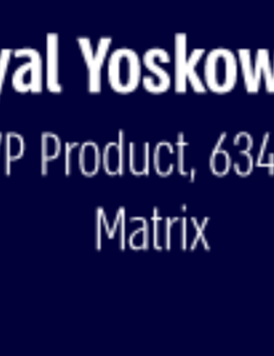

Yair Dubester
Founder & Chairman,
PENTAXI

Sebastien Ferrand
Manager of our Umix IMU
development, ixblue

Israel Rom
Founder & CEO
Operatti

Eyal Yoskowitz
VP Product, 634 AI
Matrix

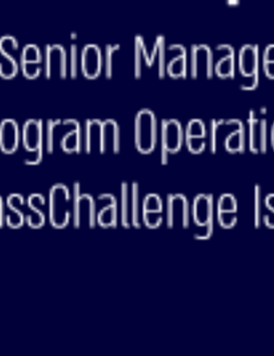

Gal Schlezinger
Real time-IoT field engineer,
Matrix

JUDGES IN THE STARTUP COMPETITION

LTC Dror Lang
Head of open innovation Branch
DDR&D

Ariella Kaplan
Senior Manager,
Program Operations,
MassChallenge Israel

Noga Kap
Managing Partner,
i3 Equity Partners

Aharon Ratner
Faculty of Industrial
Engineering & Technology
Management HIT

Rami Lipman
Entrepreneur and Investor

Roni Gordana
Founder, Business
Development Advisor,
ReStartUp

Hillel Kain
CTO
ReStartUp

AGENDA | 08:30-17:00

09:00-11:00	PLENARY OPENING	
09:00-09:15	Col. (res.) Ofer Haruvi, Conference Chairman An expert active in the remotely manned systems field Greetings	
09:15-09:30	Michael Armon, President, AUVSI Israel CEO Restartup Greetings	
09:30-10:00	Merav Michaeli, Minister of Transport and Road Safety Keynote Address	
10:00-10:20	Boaz Levy, CEO, Israel Aerospace Industries Keynote Address	
10:20-10:40	Brig. Gen. Ronen Cohen, Head Officer of Logistics, IDF Logistics in the IDF	
10:40-11:00	Eilam Sagi, Deputy CEO, Ministry of Transport and Road Safety Israel Ministry of Yossif's Vision	
11:00-11:30	BREAK	
11:00-12:30	STARTUP COMPETITION 🚀	
11:00-12:30	SECURITY AND TRANSPORTATION CHANNEL	AIR MOBILITY CHANNEL
	SESSION 1 - UNMANNED SYSTEMS IN DEFENSE	SESSION 1 - REGULATION
11:30-11:50	Tal Inbar, Senior Research Fellow, Missile Defense Advocacy Alliance Rise of the machines: Sixth-generation fighters, between manned and unmanned vehicles	Ami Weisz Manager, R&D and Flight Testing Department Airworthiness Division CAA of Israel Unmanned air systems - regulatory perspective - 2022 and beyond
11:50-12:10	Yossi Cohen, CTO, DSP-IP AI Swarm (drone) simulation and training	Michael Allouche, Independent UAS Airworthiness Expert Consultant From remotely piloted aircraft to autonomous flying taxis - Facing the regulatory and certification challenges
12:10-12:30	Zohar Golan, CTO / R&D manager - Robotic and Autonomous Ground Systems, IAI Enhancing mutual missions by UAV and UGV teaming	Libby Bahat, Head, Head, Aerial Infrastructure Department - Civil Aviation Authority of Israel Unmanned traffic management - UTM
12:30-13:30	SESSION 2 - SMART MOBILITY	
12:30-12:50	Eitan Yohannoff, Founder and CEO, Yohannoff Where do we, retailers, want to reach in consumer accessibility?	Israel Rom, Founder & CEO Operatti Public Transportation using Autonomous busses: Opportunity, Solution or a Challenge
12:50-13:10	Eden Avraham Attias, Funding GP OpImpact VC Processes to advance commercial air delivery	Avner Flor, Senior Deputy General Manager for Transport Integrating unmanned vehicles in Israel's transport
13:10-13:30	Yair Dubester, Founder & Chairman, PENTAXI Groundbreaking Israeli Air Taxi	Alon Abelson, CEO, High Lander The Power In Overseeing a Drone Fleet
13:30-14:30	BREAK	
14:30-15:10	SESSION 3 - NATIONAL INITIATIVES	
14:30-14:50	Zvica Goltzman, Acting VP Growth Division at Israel Innovation Authority A government official, a CDO and a regulator enter the bar	Eyal Yoskowitz, VP Product, 634 AI, Matrix Gal Schlezinger, Real time-IoT field engineer, Matrix
14:50-15:10	Eyal Bilia, Head of Technologies, and Innovation Division, Ayalon Highways Innovation, challenges and opportunities in mobility technologies	Sebastien Ferrand, Manager of Umix IMU development, ixblue David Cunningham, Commercial Director at ixblue
15:10-17:00	PLENARY SUMMARY	
15:10-15:30	Benny Kedar, Civil Aircrafts Protection Managing Director - Civil Aviation Authority FIRST project	
15:30-16:00	Brian Wynne, President & CEO, AUVSI	
16:00-17:00	Jay Merkle, Executive Director in the FAA The future of Advanced Air Mobility and BVLOS regulation	

*The agenda is subject to changes by the conference organizers
